**Item Description:**

Agmt PR00005857 with Al-Maa'uun for transitional housing services for Community Corrections clients, 03/01/24-12/31/26, NTE \$225,220

**Resolution:**

BE IT RESOLVED, that Agreement PR00005857 with Al-Maa'uun to provide culturally-tailored transitional housing services for Community Corrections clients, for the contract period March 1, 2024 through December 31, 2026 in the not-to-exceed amount of \$225,220 be approved, that the Chair of the Board be authorized to sign the Agreement on behalf of the County; and the Controller be authorized to disburse funds as directed.

**Background:**

The Hennepin County Department of Community Corrections and Rehabilitation (DOCCR) issued an RFP last fall for Adult and Juvenile Supportive Housing Services. The RFP sought proposals to provide transitional housing for clients recently released from incarceration and in need of full supportive care with their transition back into the community or clients who are experiencing housing instability. Transitional, supportive housing for DOCCR clients is a key component of stabilizing clients to reducing recidivism risks, support finding employment, maintaining physical and mental health, and jump-starting positive change.

Al-Maa'uun's services will align with the needs of the transitional housing population by addressing barriers and personal challenges related to housing insecurity. They utilize individual assessments which address all identified needs-housing, mental health, substance abuse, life skills, and legal. The initial assessment allows them to meet their needs through wrap-around services.

**Recommendation from County Administrator:** Recommend Approval
